SUBMISSION

Sir:

Submitted herewith is a copy of art cited in an Office Action issued by patent office other than the PTO together with a form listing the same for the convenience of the Examiner.

Insofar as the Submission dated October 24, 2008 and filed in the above-captioned application may be construed to state that JP 2002-25121 was cited in a communication from a foreign patent office in a counterpart foreign application, that is incorrect. However, JP 2002-25121 is a counterpart foreign application of CN 1337689, a copy of which is enclosed herewith and which was cited in a communication from a foreign patent office in a counterpart foreign application.

With regard to JP 2002-304772, a copy of which was contained in the Submission filed in the above-captioned application and dated October 24, 2008, that reference was cited in a Japanese Patent Office Action issued on July 16, 2008 and dispatched on July 29, 2008.

I respectfully request that the information submitted be considered. Credit card payment of the required \$180.00 fee is submitted via EFS-Web.

In the event the actual fee is greater than the payment submitted or is inadvertently not enclosed or if any additional fee due during the pendency of this application is not paid, the

Patent and Trademark Office is authorized to charge the underpayment to Deposit Account No. 15-0700.

Respectfully submitted,

THIS CORRESPONDENCE IS BEING
